

On July 1st, 2021, N.C. Medicaid and N.C. Health Choice are moving to “Medicaid Managed Care”. This means, instead of the State managing your healthcare plan, a private insurance company will be managing your healthcare plan. ***You will be required to select a plan by Friday, May 21st, 2021.*** At this time, Wellcare is the only plan that both Catawba Women’s Center and Catawba Valley Medical Center are participating with.

What you need to do:

1. Choose a health plan. ***At this time, Wellcare is the only plan that both Catawba Women’s Center and Catawba Valley Medical Center are participating with.***
2. Choose a primary care provider (PCP) ***You will need to choose a PCP that accepts Wellcare.***
3. Enroll in one of these ways:
 - Go to www.ncmedicaidplans.gov
 - Use the NC Medicaid Managed Care mobile app
 - Call Medicaid toll free at 1-833-870-5500
 - Through your Medicaid case worker
 - If you receive an enrollment form, fill it out and mail or fax it back
